

Letter to New Athletes Registering in 2012

Dear Special Olympics Families, Athletes and Carers,

Special Olympics Sydney Upper North Shore (SOSUNS) is a non-profit organisation which provides weekly sports training and competition opportunities to people with intellectual disabilities. We receive no government funding and are totally financed through our own parent fundraising activities.

The 2012 sports fee structure remains the same as it was in 2011. The aim of collecting fees is to ensure that the region:-

- (1) Maintains and conducts a sustainable sports program, whilst at the same time providing opportunity for growth, and
- (2) Sports fees are fair and equitable for all athletes and families.

In 2012, to assist you in your planning the fee invoices will be sent to you twice during the year. **The first invoice** includes two parts:

- a) Special Olympics Australia registration & insurance fee of \$70 per annum. Every athlete will need to complete the 2012 Registration form to be a fully registered Special Olympics Athlete throughout 2012.
- b) SOSUNS sports fee, \$30 per term, per sport, for terms 1 and 2. The \$30 term fee for each sport participated in equates on average to about \$3 a week per sport. This fee directly contributes to coaching, venue hire, equipment and regional administration.

The second invoice, sent half way through the year, will be SOSUNS sports fee for terms 3 & 4. The \$30 per term per sport fee will apply for terms 3 and 4, 2012.

Should any of the details on the invoice with respect to sports participating in be incorrect, please make the necessary corrections and return the invoice, registration form and sport fee payment to:

Special Olympics Sydney Upper North Shore
PO Box 262, Mona Vale 2103

If paying the invoice by direct deposit it is crucial that the athletes name is clearly noted on the transfer so that payments can be traced.

The 2012 Sports Program can be found under the individual sports tabs on the SOUNDS website <http://souppernorthshore.com/> Please check the website regularly in case any changes occur.

Thanking you for your prompt attention.
Yours in Special Olympics

Paul Phelan
